Confirm the Study is on the Cloud-PACS

**1.** Once the study has finished uploading, log in to the exam platform to review the study.

The **[My Studies]** lists all uploaded studies with patient demographics.

Note the patient's name, ID, DOB.

2. You can double-click the study to open the study image viewer and, after status shows **[Reported,]** the final report, which can be opened/downloaded as a PDF with the **[Show PDF]** option.

3. The next step, if you need a specialist to interpret the exam, is to contact CompuMed with a service request. Please see the **[CompuMed Reference Sheet].**
